## INTRODUCTION

The Catholic Diocese of Moshi is situated in Kilimanjaro region, Northern Eastern Tanzania, in East Africa. It boards with the republic of Kenya to the North and Eastern part, Same Catholic Diocese to the south and the Ach diocese of Arusha to the South west and extends in the district of Rombo, Moshi rural, Moshi Municipality, Hai and Siha.

In the strategic plan of the catholic Diocese of Moshi (2011-2014) the emphasis on education is to increase the capacity in existing secondary schools to accommodate more students, to improve standards and capacity of existing schools and vocation training centers and finally to strengthen management and coordination of catholic schools.

This directory of Catholic schools will help many people to know the catholic schools existing in our diocese .The catholic school exist to produce intellectually well trained morally upright, socially conscious, spiritually oriented men and women. This directory cannot provide all the information but the available data will assist one to get more data. Further information can be obtained from the head-teacher of the school. In case of the difficulty, consult
